

Student Government

Student government is a group of students who are charged with managing a wide range of events, activities, programs, policies and initiatives around school. Some members are elected by the student body, and others may be appointed by the elected officials to help with specific tasks or areas of interest. Our Student Government leads community service projects and fundraising for student-elected projects and philanthropies.

Clubs

Students may participate in various afterschool clubs (offered for six weeks each semester).

- Photography
- Engineering
- Sports
- Role Playing Games
- Chess
- Running

Houses

Students and teachers at schools where the House System has been put in place have raved about the impact it has had on the educational experience. Children have noted such things as how it has helped them to form friendships and create closer bonds with their peers. Teachers have noted how students perform at higher levels when points are assigned and their peers are cheering them on. Additional benefits include culture of belonging, school-wide community, and character building. Throughout the year, students participate in House challenges, Spirit Days, and the House Cup.

Rangers

Students who are interested in animal care and behavior may apply for a position in the Ranger program. The Rangers are students who may have experience with farm animals or wish to explore careers in veterinary sciences, animal education, or related fields.

Technology Student Association (TSA)

TSA is a National Student Organization that was developed to enhance a technology education program, build confidence, provide extra-curricular and leadership skills for students, and provide opportunities for competition. The mission of the Technology Student Association is to

prepare member students for the challenges of a dynamic world by promoting technological literacy, leadership, and problem solving, resulting in personal growth and opportunity.
